

THE UNIVERSITY of EDINBURGH

Graduate School Welcome Event 2019

College of Medicine and Veterinary Medicine

Dr Patrick Hadoke
Reader, Director of PGS & ECR Experience
Centre for Cardiovascular Science

Welcome

A photograph of four young people walking in front of a large, historic stone building. From left to right: a woman wearing a light blue hijab and a light blue jacket; a woman with long brown hair wearing a pink and white striped shirt; a man with a beard wearing a light green t-shirt; and a woman with long dark hair wearing a blue and white patterned dress. They are all smiling and looking towards the right. In the background, there is a large, multi-story stone building with many windows. A sign in the foreground reads 'WELCOME TO GRANNIES GREEN'. The sky is clear and blue.
